The Fair Trade stall will be held at both OLSE and St C after Mass next Sunday, 6<sup>th</sup> April. It's 30 years since the first Fairtrade certified products hit supermarket shelves. Since then, Fairtrade has pioneered a unique way of doing trade - and shown how it makes a tangible difference. Having the monthly stall means we can be part of this long-standing drive for ethical trade.

**Information and Events****JUBILEE 2025 - PILGRIMS OF HOPE - Jubilee themes: FORGIVENESS**

This is the last week this month looking at the second of the six Jubilee themes - **Forgiveness**.

*From a reflection by Canon Jason James, Archdiocese of Cardiff*

When we experience the forgiveness of God in our own lives and pass on that forgiveness, we are celebrating the whole nature and purpose of this [Jubilee] year to give hope to others as we receive Hope from God Himself.

We start our Lenten journey each year on Ash Wednesday when we are marked with ash, the ash of the ground reminding us that God created Adam from the ash and the dust of the earth - let us make man in our image - and so when we forgive we make present that very image of God, who is love and mercy. But we know like ash we can smudge that particular manifestation of God's forgiveness by our sins, our weaknesses and our shortcomings. But the Jubilee of forgiveness that we celebrate this holy year is a wonderful chance for us to make present once again this gift of forgiveness. We have the wonderful example of the prodigal father who can help us to refashion ourselves, to recreate ourselves, so as to make present this all-embracing unbounding forgiveness of God to others around us.
